WHY SILVER

Learn it. Then live it.

A true fast track from structured skill-building to meaningful salon experience - with a clear, repeatable process throughout.

> THE PRESTIGE DIFFERENCE
>
> First, learn the four stages one at a time. Then, apply the entire roadmap to real grooms. The final two weeks are devoted to doing the work again and again - with instructor feedback, greater efficiency and growing independence.

YOUR 4-WEEK PROGRESSION

01 WEEKS 1-2

THE FOUNDATION

The same 10-day learning sequence as the Bronze Intensive: practice hair, four stages, supervised real-dog grooms and a Bronze Level 1 assessment.

02 WEEKS 3-4

SALON PRACTICUM

Ten additional training days in a working grooming salon focused on speed, advanced techniques, client-ready habits and confidence.

FLEXIBLE WHEN APPROVED

Need a different attendance pattern? **Custom schedules are possible with prior administration approval**, subject to training availability and completion of all required days and assessments.

THE PRESTIGE METHOD

Four stages. One roadmap.

Every student learns the same sequence, then uses it to develop efficiency, consistency and professional finishing skills.

04

THE COMPLETE ROADMAP

FACES & PUTTING IT TOGETHER

Bring all four stages together on fake dog hair in one complete groom with instructor coaching.
